

## News Release

### Maybank Investment Bank Issues 16 New Call Warrants

Kuala Lumpur, 15 October 2015 - Maybank Investment Bank Berhad (“Maybank IB”) is issuing sixteen new European style cash settled call warrants over ordinary shares of AirAsia Berhad (“AIRASIA”), Datasonic Group Berhad (“DSONIC”), UEM Edgenta Berhad (“EDGENTA”), Hartalega Holdings Berhad (“HARTA”), Inari Amertron Berhad (“INARI”), Karex Berhad (“KAREX”), Kossan Rubber Industries Bhd (“KOSSAN”), Supermax Corporation Berhad (“SUPERMX”), Top Glove Corporation Berhad (“TOPGLOV”), Unisem (M) Berhad (“UNISEM”) and V.S. Industry Berhad (“VS”). The Structured Warrants will be listed on Thursday, 15 October 2015 with an issue size of 100 million each.

**This tranche features call warrants over counters that could potentially benefit from the weakening MYR currency. The current exchange rate may boost export driven sectors such as manufacturers of rubber, gloves and semiconductor due to potential foreign exchange gains and better price competitiveness. Also, companies with foreign currency-denominated revenue and MYR-denominated expenses will record higher profit margin from the forex translation gains. This tranche offers an opportunity to sophisticated investors who wish to participate in any potential upside from a range of sectors in the event of declining MYR.**

The call warrants have the following gearings, AIRASIAC27 (2.84x), AIRASIAC28 (2.84X), DSONIC-CG (2.40x), EDGENTA-CD (3.94x), HARTA-CQ (3.59x), INARI-CK (3.77x), INARI-CL (2.83x), KAREX-CK (3.61x), KOSSAN-CJ (3.68x), SUPERMX-C3 (3.38x), SUPERMX-C4 (3.38x), TOPGLOV-CW (3.59x), UNISEM-CK (3.38x), VS-CA (3.20x), VS-CB (3.20x) and VS-CC (3.20x). The tenure of all sixteen Structured Warrants is approximately 12 months.

The terms and conditions of the above Structured Warrants are stated in their respective term sheets and investors should read the term sheets together with the Base Prospectus dated 2 October 2015.

### **About Maybank Investment Bank Berhad**

Maybank Investment Bank Berhad ("Maybank IB"), incorporated under the name of Asian & Euro-American Merchant Bankers Malaysia in 1973, was formed to undertake the full range of investment banking services. Maybank IB has one of the most extensive dealing networks in the country, supported by one of the best research houses. It has vast experience in undertaking large Initial Public Offerings of both domestic and international firms, executing primary/private placements and share buybacks, and advising on mergers & acquisitions. On the debt financing front, Maybank IB has a proven track record in advising and arranging both Islamic and conventional bond issuance. It also offers financial advisory services, specialising in energy, infrastructure and utilities sectors, as well as policy and strategy advisory services for both public and private sectors. Building up its capability in both equity and commodity solutions, Maybank IB also offers over-the-counter structured products and investment products on exchanges, and futures broking for institutional, corporate and retail investors. It has won numerous prestigious awards with the more recent ones being Alpha Southeast Asia's Best Broker in Southeast Asia, Best Institutional Broker and Best Retail Broker 2014 at its 8th Annual Best Financial Institutions Awards.
